All dogs interested in enrolling for daycare will have an interview and evaluation process to meet our socialization and temperament requirements. Dogs over 6 months of age must be spayed or neutered. Vaccination records will be checked. Most dogs will have completed an obedience training course and have a "Pet Degree".

We offer the opportunity for you to check out our facility and give us a chance to meet your dog by appointment only. We ask that you do not drop by during regular daycare hours without a confirmed appointment. Please be sure to schedule with us prior to your arrival to ensure that you will have our personal attention at that time.

We ask that you submit along with your application, a copy of your dog's vaccination records. Please be sure that they are not reminders that your dog is due to be vaccinated but actual dates of the last vaccinations. You will be asked to update your records with us every 6 months. Your vet may fax them to us in advance if you prefer.

We require:

1. Veterinarian Certification of Health:

 - Negative fecal testing including Giardia testing, with application, Jan & June or as needed upon request

We ask that you do not bring any food, favorite toys or bedding that may be ruined or have possession issues. Toys and all natural treats will be provided. Please advise us of any food allergies in your application.

If an issue arises while in our care, you will be contacted by the information you provide us with. You are responsible to keep that up to date!! If your regular vet is unavailable or not in our area, we will contact that office first and have them speak with the emergency vet whenever possible.

Please do not bring your dog to daycare if your dog has any of these symptoms:

Coughing	Excessive sneezing
Runny nose or runny eyes	Vomiting
Diarrhea	Lethargic behavior
Fleas	Skunked

If we notice any of these symptoms you will be required to pick up your pet immediately. We do not have the ability to quarantine your pet and do not wish to put others at risk. Please respect that it is for everyone's protection, NO EXCEPTIONS!!

***Be sure to allow enough time in the morning for your dog to eliminate before dropping off!!!**
Don't risk dismissal just because you are in a hurry!

**A clear understanding of
DAYCARE RISKS**

Accidents & injuries: While our staff will do everything possible to avoid problems, daycare is not without risk. When dogs play together things can get rough even though no aggression is involved. It is not unlikely that your dog could experience an injury such as the following as a result of being here: minor cuts, scrapes or teeth marks, tooth loss, injured legs, tendons, joints, torn or detached toe nails etc. We offer a secure environment with dog specific Tenderfoot flooring to minimize your risk.

You will be required to sign a waiver that you accept the possibility of injury to your dog and allow us to seek emergency treatment when necessary.

Health: Dogs are required to have flea prevention medication, however, as you know, fleas and also viruses are not always so obvious. It is possible that your dog could pick up fleas, other parasites or viruses while playing with other dogs in daycare. The staff will be diligent about notifying you of any health related concerns among the dogs in daycare.

You will agree to act responsibly when bringing your dog to daycare where health issues are concerned and will not hold us responsible should your dog's health be compromised by something out of our control.

You have reviewed and fully understand all the Doggie Daycare requirements and the How It Works policy. You are agreeing to abide by these rules including health, fees, hours, reservations, and understand the potential grounds for dismissal.

The representation of your dog on the application and at the interview has been truthful.

We have made you aware and have discussed your concerns. By signing, you have indicated that you believe that Pet Degree Dog Training Center policies and it's associates are competent enough to entrust your dog to and are not held responsible.
