## Pet Degree Dog Training Center LLC

Agreement to Hold Harmless, Waiver, Assumption of Risk

Please take a moment to review our policies carefully. All first time potential overnight training dogs require a consultation. It is important for your dog to become familiar with me, and you to become comfortable with my training and care standards. Consultation fee will be credited toward the final service fee. Your dog will be staying overnight and receiving training daily during their stay. A follow up lesson is included in your fee. You understand that the degree to which a dog is successfully trained is a function of the interest, commitment and cooperation of the owner. You acknowledge and agree that there is no guarantee that your dog will achieve the desired level of training, despite the best efforts of the professional trainer. Old habits may return without consistency continuing at home to reinforce learned behaviors. It is my intention that your dog be handled with the greatest of care. As a dog owner you understand the risks involved. The unpredictable personality of dogs can sometimes lead to injury. The liability of any circumstance related to your dog will not exceed the current chattel value of a dog of the same breed as the one in my care. By signing this agreement you acknowledge and understand the risk that unexpected situations may arise during your absence or a stress related condition upon return.

**Note:** When dropping off your dog, please say goodbye prior to arrival at my home or the Center. To make the transition as easy as possible for all, I ask that you make the transfer quickly and without much "to do." I find that dogs will settle into our routine just fine and enjoy their stay when emotions are kept to a minimum. To speed up the process, you may email your instructions to petdegree@aol.com in advance of your scheduled departure day and I will contact you with any questions.

Children should not accompany you as we will need to keep the drop off under 5 minutes. Please only bring what is absolutely essential with you. Remember we are a dog friendly house that has everything your dog may need other than your specific foods and meds. "Here you go, bye" is perfectly acceptable and the preferred drop-off etiquette.

Thanks for your cooperation and have a wonderful, carefree trip!

**(Please retain a copy of our agreement for yourself).** Application must be returned at least 1 week prior to services or sooner along with current vaccination records. Individual application for each dog from same household is required.
