

Day Camp Training

Pet Degree Dog Training Center LLC

Agreement to Hold Harmless, Waiver, Assumption of Risk

Please take a moment to review our policies carefully. All first time potential day camp training dogs require a consultation. It is important for your dog to become familiar with me, and you to become comfortable with my training and care standards. Your dog will be receiving training daily during their stay. A follow up lesson is necessary in addition to this fee. You understand that the degree to which a dog is successfully trained is a function of the interest, commitment and cooperation of the owner. You acknowledge and agree that there is no guarantee that your dog will achieve the desired level of training, despite the best efforts of the professional trainer. Old habits may return without consistency continuing at home to reinforce learned behaviors. It is my intention that your dog be handled with the greatest of care. As a dog owner you understand the risks involved. The unpredictable personality of dogs can sometimes lead to injury. The liability of any circumstance related to your dog will not exceed the current chattel value of a dog of the same breed as the one in my care. By signing this agreement you acknowledge and understand the risk that unexpected situations may arise during your absence or a stress related condition upon return.
